Freelance Front-End Developer — REMOTE

VARIOUS • JANUARY 2022 – PRESENT

- Collaborated on Web Development Projects around the globe.
- Created custom Content Management System themes, plugins, and modules.
- Helped train machine-learning AI chatbots to solve and explain programming problems.
- Performed Quality Assurance testing on Websites and Web Applications.

Tellus Solutions (*under contract to AbbVie*) — METTAWA, IL

WEB DEVELOPER • AUGUST 2022 – FEBRUARY 2023

- Joined the digital team of "A3"—the AbbVie Ad Agency—and completed projects for products such as Humira, Skyrizi, and Botox Cosmetic.
- Built web pages, animated banner-ad campaigns, corporate email, and iPad-based Interactive Sales and Marketing Aids for both the domestic and global markets.
- Ensured all projects passed rigorous FDA compliance in a timely manner.
- Wrote productivity-boosting Bash scripts to automate tedious workflows and ensure accuracy.
- Utilized debugging techniques to identify and resolve software issues efficiently.
- Implemented Agile methodologies to streamline project management and increase productivity.
- Utilized version control systems to manage code changes and facilitate collaboration with team members.
- Demonstrated strong coding skills in JavaScript and other programming languages to deliver high-quality software solutions.

Glantz Design — EVANSTON, IL

FRONT-END WEB DEVELOPER • FEBRUARY 2021 – NOVEMBER 2021

- Developed pixel-perfect WordPress sites with slick, user-friendly interfaces using HTML/CSS/JavaScript and implementing UI/UX best practices.
- Elevated web development projects above and beyond client expectations by utilizing JavaScript to add custom functionality and animation.
