EXPERIENCE

Freelance

Front-end Developer

2023 – Present

- Delivered front-end solutions for clients across healthcare, e-commerce, and small business sectors
- Launched websites from concept to design and deployment

AbbVie – Mettawa, IL

Front-end Developer

Sept 2022 – Feb 2023

- Delivered high-visibility digital assets for global pharmaceutical campaigns reaching millions of users as part of the digital team of the AbbVie Ad Agency – “A3”
- Built web pages, animated banner-ad campaigns, and iPad-based Interactive Sales and Marketing Aids for or products such as Humira, Skyrizi, and Botox Cosmetic
- Maintained strict FDA compliance across all deliverables in a highly regulated environment

Glantz Design – Evanston, IL

Front-end Web Developer

Feb 2021 – Nov 2021

- Developed pixel-perfect WordPress sites with slick, user-friendly interfaces using HTML/ CSS/JavaScript and implementing UI/UX best practices.
- Elevated web development projects above and beyond client expectations by utilizing JavaScript to add custom functionality and animation
- Partnered closely with designers to perform comprehensive QA and with clients to resolve technical issues and complete requests for updates.
- Ensured a seamless user experience across multiple devices by utilizing responsive design techniques and implementing UI/UX best practices.
- Worked heavily with Advanced Custom Fields, with a particular emphasis on flexible content components
- Built custom HTML emails, testing to ensure consistency and optimal performance across clients and devices

Frey Design Group – Roselle, IL

Front-end Web Developer

Aug 2020 – Jan 2021

- Worked extensively with the WordPress platform to build, expand, debug, and maintain WordPress sites & plugins
- Self-managed workload to meet client deadlines and complete assignments & projects within the budgeted billable hours

Breakout Studio – Chicago, IL

Front-end Web Developer

Jun 2019 – Mar 2020

- Effectively translated studio designs and client requirements into ready-to-deploy websites and marketing emails
- Worked efficiently and productively in both independent and collaborative environments
- As intern: Engineered, rigorously tested, and launched a new in-house website for Breakout Studio
